

# HP StorageWorks Modular Smart Array 2000

## Free Hard Drive Promotion

The HP StorageWorks 2000 G2 Modular Smart Array storage solution helps customers easily transition from direct attached to centralized storage. It allows departmental and small to medium businesses customers to grow capacity as demands increase. The MSA2000sa G2 allows mixing of enterprise-class, dual-ported SAS drives and archival-class SATA drives, and supports both Large Form Factor and Small Form Factor drives.

### Free Hard Drive Offer
