| CE CEO Urgent—Vendor Invoice Past Due |
| To: CFO CC: Admin |
| Rick, It has been brought to my attention that this invoice was not paid. The products we |
| need are being held until we wire the payment. The invoice is attached, and the details for completing the wire are in the link below: <u>clickthislinkandloseyourdata.com</u> |
| Please take care of this immediately—I must report to the shareholders tomorrow. |
| J. Smith, CEO |
